AMENDMENT
FY08-11 Metropolitan Transportation Improvement Program (MTIP)

DATE OF REQUEST: 2/25/2009 **BY AGENCY, PERSON:** Eugene, Mark Schoening

ODOT KEY NUMBER: 15222 **RTP NUMBER/POLICY:** 637

PROJECT NAME: Delta Ponds Bike Path: East Bank Trail - Robin Hood

PROJECT SUMMARY: Construct 12 ft concrete path from Eastbank trail at Goodpasture Island Rd east to Robin Hood Lane; Construct bike/ped bridge across Delta Highway

ACTION REQUESTED:

- delete existing MTIP project/phase
- add new MTIP project/phase
- change existing MTIP project/phase

REASON FOR REQUEST:

Restore bridge and trail elements and proceed with project on schedule - now possible through awarding of Transportation Enhancement funds from the American Recovery and Reinvestment Act by ODOT. Due to reductions in local SDC funds, this project would likely have had to be delayed or reduced in scope without these ARRA funds..

OTHER COMMENTS:

DRAFT

This is an existing project for which MPC approved of the use of TE funds with a letter of endorsement to ODOT in November 2006 and again in January 2007. MPC ranked this project as priority #1 in the region at that time. As costs have increased, certain elements were to have been cut from the project. With the award of ARRA funds from ODOT Transportation Enhancement, these elements will be restored.

Note that OTC will meet on Feb 27, 2009, to consider the recommended proposals for the use of TE ARRA funds. This amendment is being processed by TPC before OTC action. If OTC does not agree to the additional funds for this project, the amendment will be revoked and will not be submitted to ODOT.
