MTIP Amendments
Transportation Planning Committee
May 20, 2020

20964 - LTD

Regional safe routes to schools (LTD) – 2018

Establish a long-term Safe Routes to Schools program within the Springfield School District.

2020 OT phase \$267,079 (FF91 + S010)

Amendment = cancel project

LTD is not sure where this project came from. It was entered into the STIP along with other projects LTD provided, but there is no documentation to support it or its funding. LTD requested that this project be removed from the TIP.

21393 – Springfield

Mill Street: A Street to Centennial Boulevard

Mill Street reconstruct from S. A Street to Centennial Boulevard

2020 planning phase to be canceled (\$158,999.22 STBG)

2020 preliminary engineering phase to be increased by \$158,999.22 STBG, new phase total = \$1,731,380.32

19773 – Eugene

South Willamette Street enhancement

Pavement preservation, ADA improvements, streetscape/bike/pedestrian enhancements

Add \$1,531,929.22 of local funds to 2020 CN phase

20144 – ODOT

OR126B: S 20th Street – 75th Street (Springfield)

Design for a future construction project to provide safety solutions identified by the Springfield Main Street Safety Planning Phase.

Cancel the 2021 Right of Way Acquisition phase (\$50,000 ACP0)

20206 – Eugene

River Rd at Irving Rd (city of Eugene)

Upgrade signal hardware. Add left turn lanes on Irving Road approaches. Install urban green bike lanes on River Road at the intersection.

Amendment will slip 2020 CN phase to 2021 for obligation
